# Revised Claimant Statement

## Claim Ref: CLM-2026-00001

**Name:** Arun Vijayan
**Policy No:** MOT-2026-NC-004417
**Date:** 21-Oct-2026
**Reason for Revision:** Clarification of damage details after further inspection.

### *Revised Statement:*

Upon further reflection and re-inspection at the service centre, I wish to clarify my earlier statement. While the initial impact was indeed from the rear, the collision also caused my vehicle to lurch forward into the vehicle ahead, resulting in **additional damage to the front portion** of my car. I apologise for the incomplete description in my original statement.

The damage therefore includes both rear and front sections of the vehicle. I also noticed **damage on the rear-right side panel** which was not immediately apparent.
